It's finally coming - Minecraft 2.0! Posted on Apr 1, 2013 by Dinnerbone Update: April fools!:) Hopefully releasing within the next two months, this 2-years-in-development game will be bringing blocky simulation games to the next level.. 0 update, we do have a partial changelog of what we've done so far There's much more to come, this is only the beginning! Gameplay • Added new Super Hostile game mode, for a much more challenging Survival experience.

Whilst based off the original Minecraft engine, this new version completely overhauls major parts of the game and contains many weeks worth of new content and blocks.. Sneak-peek videos • SethBling - • BlameTheController - • Guude - • Xisumavoid - • Keralis - • Biffa2001 - • Docm77 - • W92Baj - • Mhykol - • Generikb - • Vechs - • Paul Soares Jr - • Pyropuncher - • Pakratt0013 - • AvidyaZen - • Joe Hills - • Millbee - • AnderZel - What changed? Whilst we aren't nearly finished with the 2.. Minecraft Online: We have a wide collection of Minecraft games which you can play online no download, Play minecraft Now.. Neither Mojang nor Minecraft would be where it is today without its community, so we felt it fitting that we let them make the trailer videos and announcements for us, which are visible below.

minecraft games

minecraft games, minecraft games free download, minecraft games online, minecraft games for free, minecraft games for kids, minecraft games unblocked, minecraft gamestop, minecraft games to play, minecraft games for nintendo switch, minecraft games on crazy games, minecraft games on scratch

Currently in closed beta stage, we have secretly been working with a select few members of the community to participate and trial run some specific features from the new version.
